| Criticises fatter cat salaries in the private sector | | ✓ |
| Accepts scientific consensus on need to reduce greenhouse gas emissions | | ✓ |
| Sample quote |  <p>"Whilst no one likes to see a duck suffering, animal rescue is not the central job of the fire service. In this case there were no emergency calls pending, but calls can crop up at the last minute which could be much more pressing than the rescue of a duck."</p> | <p>"There is a simple way for the TaxPayers' Alliance to end the speculation: come clean about its funding. Or does it still have something to hide?"</p> |
